

# NICHOLAS GREEN DISTINGUISHED STUDENT AWARD

**National Association for the Gifted and  
California Association for the Gifted  
Join in Offering \$500 Award to a California Student**

A \$500 U.S. Savings Bond will be awarded to a California student by the Nicholas Green Foundation. This award is being distributed through the National Association for Gifted Children and will be made to a California student currently in grades 3–6, who has distinguished him or herself in academics, leadership, or the arts.

The Nicholas Green Foundation was established by Maggie and Reg Green to honor the memory of their seven-year-old son, Nicholas, who was killed in a drive-by shooting while visiting Italy in 1994. The Foundation awards scholarships to high-ability high school and college students to enable them to advance their education. The Greens also established the Distinguished Student Award because they felt it was important to recognize gifts and talents in children who are now at the age that Nicholas was when he died.

The National Association for Gifted Children, in conjunction with their affiliates, distribute one savings bond award in each of the 50 states. The California Association for the Gifted, as an affiliate of NAGC, is the participating organization overseeing the award in California.
